Thanks to Disney's *Fantasia* (and a yo-yo loving flamingo), Camille Saint-Saëns's *Carnival of the Animals* is one of the best-known works in the classical music canon. The FCC music faculty team up to present this beloved work in all its fun, passion, and whimsy.

This event is a casual opportunity for teenagers (ages 13-19) to gather together. Each teen must be a student of a current FCMTA member. We will meet in the lobby at FCC in time to go into the auditorium together. After the concert, students will meet in Room F112 for dessert and discussion.

Please detach the Permission Slip below and return it, with payment, by October 13 to your teacher:

_____ has my permission to take part in the Teen Field Trip on Saturday, November 2, 2024. I will not hold liable members of the Frederick County Music Teachers Association for any damage or personal injury as a result of participation in the Teen Field Trip. Because this is a drop-off event, I also give the FCMTA volunteers permission to obtain emergency medical attention as needed, and will be responsible for costs incurred for any medical treatment. In the event that my son/daughter needs medication and is unable to administer the same, I give permission for an adult staff member or volunteer to do so. I hereby release FCMTA and its volunteers from liability for any injury or illness my son/daughter may sustain during such an event.

I understand that the \$5.00 fee is nonrefundable, is used strictly for the expense of the Teen Event, and in no way reimburses the participating teachers for their voluntary services. I have attached the student fee, payable to the student's teacher. I also give my permission to have my child photographed and his/her full name printed in local newspapers/websites.
